The King Eagle

Pat + Daphne

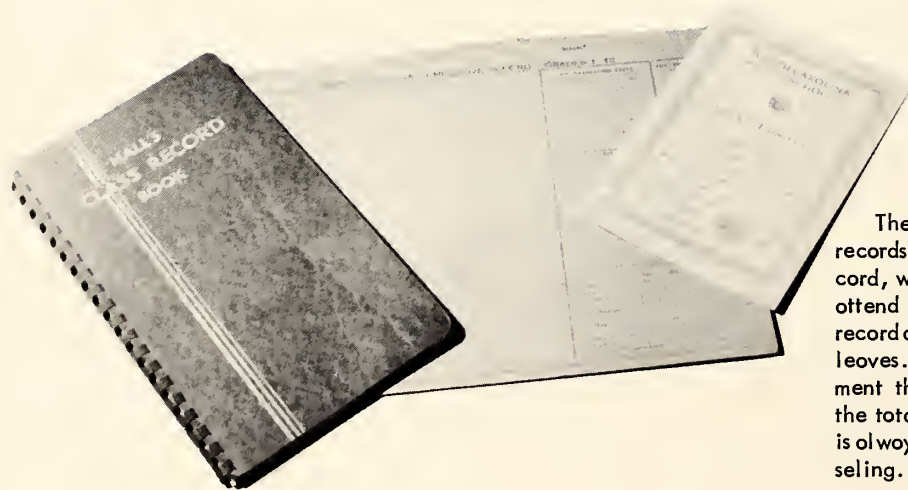

Dedication

For the numerous kindnesses and wonderful guidance shown us, we, the Seniors, dedicate the 1958 King Eagle to Mrs. Audrey S. Kirby, who will always remain in our hearts and cause our days at King High School to be more memorable. Your thoughtfulness and understanding have made even our darkest moments seem not so dark.

We deeply appreciate the sacrifices you have made and the work you have done to make our class and our school better ones.

So, Mrs. Kirby, we gratefully dedicate Our Yearbook to you.

"Those who
guide us"

The most revealing and the most vital of all records kept by the teachers is the Cumulative Record, which goes with a student wherever he may attend school and which remains as a permanent record of the school from which he graduates...or leaves. Not only a record of scholastic achievement through the years but also an indication of the total development of the student, this Record is always the basis for future guidance and counseling.

"It's Great to be a Senior"

We've been warned about those storm clouds in the east; we've been challenged by world leaders as being a generation with a doubtful future. So what! Every class of '58 is proud to accept the warnings and challenges. We look to the future--so soon to be our present--with not only ideals and inspirations, but also with the ability to smile. This ability comes from what is proudly called twelve years of valuable experience at a democratic and inspiring school. The years, 1946-1958, spent at King School are of great significance in our lives and to the choices we will be forced to make. Everyone has personally felt the challenge and the privilege of learning to live as you would have us live. Today and tomorrow we stand: STEADFAST OF PURPOSE.
